

President National's Project Pin in Production!

Order yours now and you will be in the first group to receive your pin later this year. Proceeds will benefit the Women's Military Memorial, a memorial and museum outside the gates of Arlington Cemetery, commemorating all women's services in the military and on the home front.

This lovely, silver-toned pin, produced by Pamela Wright, is designed in the art deco style popular 100 years ago when our Society was founded; the centre Rosette mirrors that in the Great Niche of the Memorial. The pin is approximately 2 inches in diameter, making it suitable for wearing on a sash or a dress. Pins may be purchased as gifts because there are no restrictions on who can wear it.

Complete the form below and mail with your \$60 (per pin, shipping included) to

Melissa H. Fischer, PNP Chairman
